

Glide O Bind is one of the most innovative creation from PINNACLE, where Creasing is done with optimum and sharp precision. Combined with Hot and Cold Press Process, it helps in making a Perfectly Pasted Photobook. It is suitable for Single Side Prints and the Photobook gets a complete Lay Flat Look.

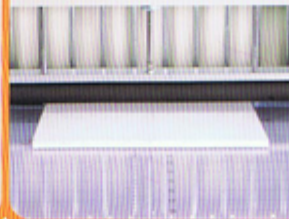

This machine Binds Photopapers as well as Hot Melt Gumming Sheets with equal perfection. It works at Low Temperature and provides Faster Outputs.

Glide O Bind is the most ideal choice for those, who are looking for the most Premium finish for their masterpiece Creations.

Key features :

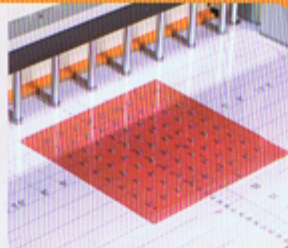

Digital Micro Controller with a large LCD Touch Screen to pre-define each project and save it for later use

Pasting with Gliding technology to ensure Uniform Pressure and Even Pasting

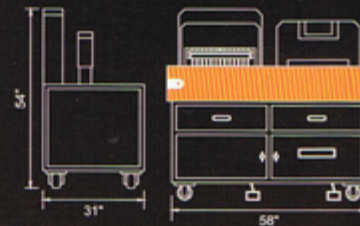

A Vacuum Bed holds the Prints, to avoid any displacements of the Prints.

Creasing groove can be set as per the Paper thickness

Hot and Cold processes to render Uniform Pressure at desired Temperature, and achieve better strength of the Photobook

Sr. No.	Model Name	Size (Inch)	Power Supply	Power Consumption	Floor Area Dimension (Inch)	Weight (Approx)
1	Glide O Bind	20" X 20"	220 V AC	2.5 KW	58 x 31 x 54	350 Kg.

Pneumatic Connection is Required
